

DTE[®]

D600 LED

Ultrasonic Scaler

Pleasant & Efficient

Intelligent power output
Experience painless treatment

D600 Ultrasonic Scaler

18 invention patents 116 national patents
28 years of research on ultrasonic scaling

HIGH QUALITY HANDPIECE

Shell of the handpiece is made of special imported plastic from America,

which can be autoclaved under high temperature and pressure without cracking or deformation.

Latest handpiece sealing technique, reliable and durable.

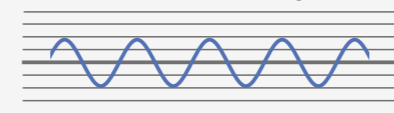

Ergonomics design, more comfortable in use.

SINE-WAVE DRIVE

Sine wave drive
Avoiding stimulation caused by instantaneous current output; ensuring comfortable treatment.

Embody comfortable scaling

D600 mild sine wave power output

Rectangular power output of other brand scaler

standard configuration tips

PD1 PD3 PD4 ED1 ED6 ED4 ED5 GD30 PD3D PD4D

high configuration tips (Equipped with two of each tip below)

PD1 PD3 PD4 ED1 ED6 ED4 ED5 GD30 PD3D PD4D

SMART TOUCH SYSTEM

Ultra-sensitive
Waterproof design

AUTOMATIC WATER SUPPLY SYSTEM

Easy to change water.
Increase work efficiency.
Hydrogen peroxide, sodium hypochlorite, and chlorhexidine is available.
Clear 50ml scale mark makes it convenient for formulating liquid.

DETACHABLE HANDPIECE WITH LIGHT

Better visibility
Handpiece adopts latest sealing technique
Patients feel more comfortable while scaling

Clear vision
D600 LED with light

Blurred vision
Without light

Supragingival scaling

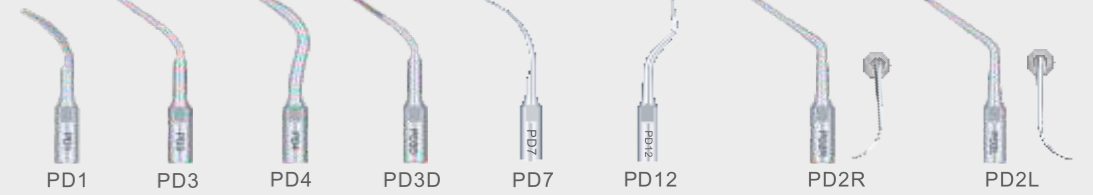

Implant maintenance

PD90

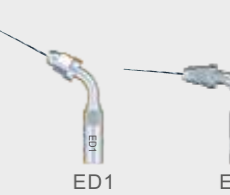

种植体维护
清洁种植体和修复体

Subgingival scaling

Root canal treatment

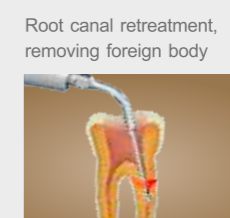

Endo scaling

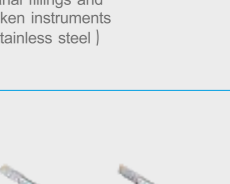

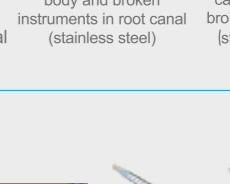

For removing the calcification and bad fillings in root canal

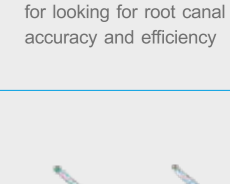

For removing the calcification in the coronal third of the root canal

For removing root canal fillings and broken instruments (stainless steel)

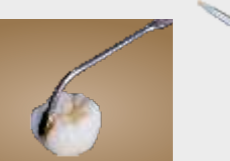

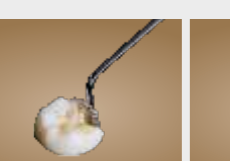

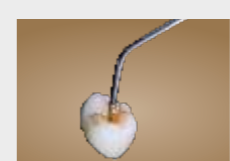

Looking for root canal orifice

Diamond-coated, ball head, for looking for root canal orifice with security, accuracy and efficiency

ED12D

Cavity preparation

GD30
For the preparation between pits and fissures

GD31
For the preparation of mesioclusion cavity

GD32
For the preparation of distal mesial cavity
